

# Portfolio examples: Risk Papers

Selected Scenario publications

## Conference papers

**Small Business and Human Factors**, in the Proceedings of the Humanising Work & Work Environments conference (HWWWE 2005); Indian Institute of Technology Guwahati, Assam, India.

**Balancing security and safety outcomes**, National Marine Safety Conference (2005), Wrest Point, Hobart, Tasmania, Australia.

**A "system-of-systems" risk approach**, XVII Annual Conference of the International Society for Occupational Ergonomics and Safety (2003); Munich, Germany.

**Reframing risk using systems thinking**, Annual Ergonomics Society Conference (2003); Edinburgh, Scotland.

**Risk planning in large-scale natural disasters**, Safety at Work ISSN 1444-6995 (Issue 12 April 3rd 2001).

**Developing Disaster Recovery Programs**, IIR Operational Risk Management conference (2000) Marriott Hotel, Toronto, Canada.

**Developing Disaster Recovery Programs**, IIR Disaster Recovery Planning conference (1999); Millennium Hotel, Sydney, Australia.

**Human Error in Risk Assessment**, Graduate School of Management Annual Risk Conference (1999); MacQuarie University, Sydney, Australia.

**IT Risk Management Systems**, IT in Manufacturing Conference (1999); Crown Towers Centre Melbourne, Australia.

**Best Practice Risk Management Systems**, Quest 99, International manufacturing conference (1999), Millennium Hotel Sydney, Australia.

**Structured Ergonomics Intervention in Business**, Ergon-AXIA (1998), Hong Kong.

**Workplace Risk Assessment & Control**, Safety In Action conference (1998); Melbourne, Australia.

**Information Risk Management**, in Electronic Document Management, IIR Conference, (1997); Sydney, Australia.

**Conducting a risk assessment on your records management system**, in Document and records management systems, IIR Conferences (1996); Sydney, Australia.

**Risk Analysis as a Plant Safety design tool**, 12<sup>th</sup> annual meeting of the Asia Pacific Occupational Safety and Health Organisation (FutureSafe 1996); Melbourne, Australia.

**A guide for the application of ergonomics in coal mines**; JCB publications (1993), ISBN 0 642 195056.

**Asset Management Assessment Methods**, in Best Practice in Public Sector Asset Management: IIR Conferences (1993), Sydney, Australia.

**Computer Supported Cooperative Work Design reviews**, in OZCHI 92 CHISIG annual conference (1992); Bond University Australia. Downer, Ergonomics Society of Australia.

**Involving the public in early prototype design: the CityRail experience**, in Enhancing Usability in Human-Computer Interaction (1992); Sydney, Australia: AIC Conferences.

**Introducing New Technology to the Production Process**, in 3rd International Large Open Pit Conference, Australian Institute of Mining (1992); Brisbane, Australia.

**Risk Analysis using work models**, in Designing for Everyone 11th Congress of the International Ergonomics Association in Paris (1991); eds Quiennec Y, et al., Taylor & Francis.

**Using Models in Group Design Processes**, in People before Technology, OZCHI91, CHISIG conference (1991); eds Hammond J, et al. Downer, Ergonomics Society of Australia.
